We have a magazine that has monthly themed parties for our readers. Our next event is in a week and I need an event promoter to come on board ASAP to promote the event and get an additional 30-50 people in the door in the next few days. This is a great opportunity for a long-term partnership with us. As stated, we have these events every other month so if done well, we will be happy to have you as our official promoter from here on out. Email if.
