Location **Michigan**

I will be spending 10 weeks in the Detroit area starting May 30. I would like to rent a room, preferably furnished, for those 10 weeks (May 30-Aug 8). I am looking for something either in Dearborn or nearby in a safe quiet area. I am a 28 year old graduate student, quiet and considerate looking for a similar kind of roommate/s. I am willing to pay whatever the space is worth, depending on the location/size/amenities.

Please contact me with location, size of the room and house/apartment, as well as asking price and relevant.
