This is a JR enterprises model 28-72 REVERSE FLOW SMOKER. Great to mount on a trailer, for tail gating or large parties & restaurant use. It has a built in propane fire starter. A large access door to the cooking chamber for easy clean out. It's on skids w/steel wheels which help it move easily. The unit cost is 4k new, I am asking 3k/OBO. Please contact me Mark at
