rehome female blue pit bull (Covington)

Location Louisiana https://www.genclassifieds.com/x-314732-z

We have a female blue pit bull. She is 16 months old, unaltered. She is the sweetest dog I have ever met. She knows sit, come, and she is house trained. She only gets excited when she meets a new dog. Very well tempered. Great around kids of all ages along with cats and dogs. Her rehoming fee is \$200 including an XXL kennel. Please text
