i have a 1 year old mini chi-weenie I am trying to re-home.Her name is Toon and she's a sweetheart. Nothing is wrong with her. I work too much and do not have any extra time to give her the attention she needs. She is very sweet and loves people. She's ok with other dogs but she prefers people. She does not like car rides. She is an inside pup and is fixed. She is also puppy pad trained and has accidents occasionally. If interested please text me. Thanks. Re-homing fee is \$175.

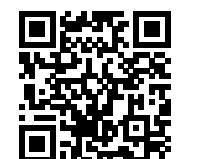

Included is a kennel, leash, harness, collar, bowl, and toys come with.
