

Retired Cat wanted (New Britain)

Location **Connecticut** https://www.genclassifieds.com/x-314759-z

I'm looking for a female friend for my lonely Bailey. We lost his son few months ago and he has become so disconnected that I'm trying my best to make him happy again. He's 11 this year so i'm looking for a kitty around his age but older than 5 years.

Female please because I don't want him to think we are replacing his baby. Sounds foolish to others that they hear a cat can love, but you're wrong they can and this house is full of.
