Tired of high automotive repair bills? Give us a call. We are a new business opening in Felton, DE with many years of automotive experience. We offer quality work at affordable prices. We also have the cheapest towing rates around and if we do your repair work, the tow is free! (Conditions apply)

Front disk/ rear drum - \$79.99  
 Check engine light check/ reset - \$30.00  
 Tune ups (most cars) - \$99.99  
 Oil Changes/ car greasing - \$49.99

We also do Roadside Assistance!

Jump starts/ Tire Changes/ and lockouts - \$49.99  
 Fuel deliveries- \$49.99 plus cost of fuel

All prices include labor only. You can bring your own parts or we can get them for you. You decide.

Why pay dealers' high prices when you can get quality work for, in most cases, half the price? Stop by and check us out. We do support our military, veterans, and senior citizens, so discounts will apply to them on all labor. However, unlike how a lot of repair shops add on to the price of parts, we DO NOT! So on what we can control (which is our already low pricing) we will do our best to give you a discount.
