Hello I am Kristin and am looking for babysitting gigs on the weekend in my home only. I use to work fulltime overnight stock weekdays at Lowe's, but due to being pregnant I can no longer lift heavy things. I have an almost 5 year old daughter 1/21/10 and am expecting my second child in August 2015. I currently reside in Windhover apartments in Newark Delaware and live with my fiancé and daughter. I have a smoke free and alcohol free home. I am friendly, and I love kids. Only \$5 dollars an hour!! If you refer a friend to me I'll give you a night out for half my regular charge for every referral you give! Most babysitters charge \$10 or more an hour, I am giving a fair deal here. For full weeks just \$50 a week. Must be okay with your child being around other children. Give me a call! Thank you! Have a great!
