Meet Chevy!!

Chevy is full of love and energy! She's a almost a year old female pit mix, and specializes in being cute. She's having a blast in foster care, and loves going on walks with her foster parents. She loves meeting new people and dogs on her walks, but she loves squirrels most of all... maybe too much!

But Chevy isn't just an adorable face - she's also a smart cookie. She's eager to show off what she's learned, and ready to learn more. She knows the basics: sit, down, stay, and loose leash walking. She's working on her crate training, and is making strides every day.

Chevy is a playful and loving pup who enjoys spending time with people, the more the merrier! If you're looking for a fun-loving, smart, and sociable dog, maybe Chevy is the dog for you!

Chevy is in foster care with Pittie of Love - Philadelphia Animal Rescue. She is up to date with her vaccines, micro-chipped and spayed. If you are interested in filling out an adoption application for Chevy, please reply to this.
