compensation: 1.25\$

I found a pretty cool new survey site its some survey site <http://ftr.io/r/188NRAV>(this is my referral site, ill be honest I get 1\$ a person). All you do is fill out the 4 boxes below MAKE SURE YOUR EMAIL IS A PAYPAL EMAIL, within minutes you get 1\$ and .25\$. From what I understand you get 25 cents every time they text you a survey opportunity and 1\$ for taking the quick survey/poll.

Enjoy!

i am going to be as up front with this as possible because we are all use to BS scams. I found a survey site that i really like and i can get 1\$ by referring people. In turn you get 1.25\$ for signing up(straight to paypal, make sure you use your paypal email) plus you will get 25 cents for every text message (notifying you of a survey you can do on your phone) and 1\$ for every survey.

(im sorry it looks a bit shady but i swear im the same average craigslist as everyone else lol.)

I had a previous post that was taken down, unfortunately people probably thought it was a scam but IT ISNT. IDK how i can even be more honest with people than this.
