I'm the manager for a prestige Wellness Brand at Tysons Corner and am looking for an artist(s) who would like to display/sell their piece(s) in the store during the month of April. We are an environmentally friendly brand and during April we raise money for Earth Month and donate 100% of the proceeds to a local environmental charity. What I would love is to find a local artist (or 2 or 3) who would like to get some exposure to the Tysons Corner clientele and be willing to sell their pieces in store and donate a portion of the proceeds towards our Earth Month fundraising goal. You can set your own prices on your art and determine how much of the proceeds you'd like to donate. We would have your art on display throughout the store (small pieces would work bests), display the prices and how much you are donating to the cause. We have a lot of events lined up for April. We average 250-300 transactions per week, which translates to about 300-400 people walking into the store each week. You don't need to commit your pieces for the entire month. Please email if you're interested. We prefer artists/pieces that focus on nature/animals/environment to go with our.
