Local investor will pay same day money for all sorts of real estate in any condition or situation.
PROBATE HOMES. If you inherited a home and want to sell fast with no hassles, give me a call. I will pay you same day money. I may also pay all closing costs. I will even pay the cost of hiring a probate lawyer so it will cost you \$0 out of pocket to administer the estate of the one you love.
FORECLOSURE AND BANKRUPTCY HOMES: if you're a homeowner in foreclosure and/or filing bankruptcy and you don't understand what to do with your negative equity, no value house - I'll purchase it as is in any state or situation. The most important thing you can do is get the upside down home from the personal name. Do not only walk away. When you file Bankruptcy, the trustee will abandon the home back to you because it does not have any value so even though you "surrendered" your home - it stays in your name as owner. This means you're legally responsible for all post petition costs, expenses and liabilities including HOA fees, code enforcement liens and other.
