Do you have a garage floor that needs a new coat? REDRHINO has been in the epoxy floor buisness for ten years and provides service across the United States. We use only the best product, best service and offer ten year warranties on our work. we grind our floors first, then use the appropriate product to make sure that the flooring has binded to the substrate. You can count on a beautiful garage floor for years to come. Call us for more information ,or visit our corporate site, [www.REDRHINOflooring.com](http://www.REDRHINOflooring.com) Sincerely, Phillip..
