Have a business idea?
Trying to boost sales or find better leads?
Need to focus more on SEO?
E-mail marketing campaigns?
Implement better CRM software?
Focused on social media?
Looking to develop a sales plan?

First of all, I am not selling anything. This is crowd thinking.

I am part of an association of like minded entrepreneurs from various industries and backgrounds. I'm interested in establishing funding for big ideas and assisting in sales and marketing.

Tell me more about your situation and the projects you are interested in and busy with. Get a fresh perspective.
