

Garbage Picker Seeks Patrons and Sponsors (Kapaa)

I just lost my income and I want to remain on this beautiful island. I would pledge to clean up the road and beach within an area and spend time each day doing so if someone would be able to sponsor me and pick up the garbage bags. I will wear a corporate logo too, I would love to be a famous professional litter picker, or at least be able to live here comfortably without working under flourescent lights... Be my angel?
