Hi, my name is Amanda.

I am a licensed daycare provider, out of my warm and loving Ferndale home. I have 12 years experience with in home day care and latchkey. I am First Aid and CPR certified. All rates include meals. I participate in the 4Cs Food Program and offer healthy AM snack, lunch, and PM snack.

The downstairs of my home is dedicated to the daycare, and has a large toy room and an even bigger daycare room, as well as a restroom. The backyard play area is appropriate for children of all ages. There is also a park within walking distance. The house is a non smoking home, and there are no pets.

Please contact me for hours of operation and daily/weekly rates. I look forward to hearing from you, and taking care of your loved ones.

Amanda
