

Need to rehome Maltese puppy

Location **Michigan**
<https://www.genclassifieds.com/x-315046-z>

I have to re-home my Maltese puppy (landlord changed pet policy). He is 10 weeks old, male, and is in the process of being pee pad trained. He is neutered and micro-chipped but I have not registered it yet. He is a little love bug and is looking for a new home to go to and there will be a re-homing fee.
