Location **Michigan** https://www.genclassifieds.com/x-315057-z

I am rehoming a 12 month old neutered male tabby cat with gray and black stripes. It wants to try to control my 3 other cats, but does not fight. It would be best in a home by itself, and is a very loving, cuddly cat who sleeps on the bed at night. \$30.00 rehoming fee. Please contact me for further info and to arrange.
