Vocalist, guitarist & bass need a drummer, a synth/guitarist, and a another guitarist. people who are cool, serious, and serious. we have a batch of songs ready for jumpstarting live shows and getting to know each other, as we finish and produce 5 records (or batches of downloads) 3 deep-wrapping up the 4th... the idea is we have built the foundation, looking for the personal to push it to the audience, then record all ! NEW ! worked out material as a band. influenced by the verve, tool, cure, zep, Sabbath, massive attack, smiths, celtic frost, floyd, joy division, puscifer, fu Manchu, maiden, broken bells, dandy's, BJTM, Cocteau twins, fugazi, nebula, George carlin, bill hicks, greg geroeldo , Richard pryor, howard stern... we have house for rehearsal, full home studio, p.a., amps, drum kit, bar, and over-all good atmosphere. we (vocal and guitarist) get together on Saturdays, and one night a week. vocalist is open to accommodate interested folks if you would like to hear other songs, and if your out of town- we can put you up. We need a guitarist who has evolved a sound from the likes of oasis, smiths, verve, BJTM, dandy's -to- zeppelin, velvets, jane's, tool, and puscifer = a guy who can make the sound full.... A serious piece missing is a synth player /piano/some guitar (if needed... into the same influences. no babies, drugs, or stupid shit. -if you don't touch your kit or guitar, this is not an opportunity for you to "get back to it" (we can tell- so can everyone else). serious interest would be refreshing... thank you kindly. <https://soundcloud.com/4trackesasis> *this is Not an over-all example, it is one studio song. but if you can play this or a variation of it - you are who we're looking for. if you would like to hear more, let's arrange a time. Thanks a.
