I am a local photographer who is looking for a couple of models for a photoshoot. You can have any look. Models will be modeling shorts, mini skirts, bikinis, and lingerie items. I am looking to do print work for clothing companies and the photos will be used to add towards expanding portfolio. Please send contact info along with a few current photos. All models should send a current photo and full body shot please. Modeling experience preferred but not required. Don't be afraid to take a!
