Have FUN learning to play the Guitar or Bass with custom-tailored private lessons.

All Levels & Styles taught.
 Affordable in-studio music lessons for all.
 Beginners always welcome.
 FaceTime and Skype lessons also available!

I'm happy to provide individual custom-tailored lessons to make you the best player you can be. If you're a beginner we'll start from scratch. If you're an advanced player we'll figure out which areas you need to improve upon, and I'll take you to the next level. After a few lessons with me, you should see a dramatic improvement in your playing!
