

Damp, Wet, Moldy Basement (Cincinnati)

Location

Kentucky

<https://www.genclassifieds.com/x-315131-z>

Do you have damp, wet, mildewed or moldy areas in your basement/crawl space or any other part of your home? If so and you'd like some affordable, reasonably priced mold removal/remediation, feel free to give us a call at Our mold removal services consist of... 1. Removal and disposal of any wet items or materials... 2. Possible demo of walls that are water damaged and holding mold/bacteria/fungal growth... 3. Application of anti-microbial mold/fungus stabilizer (killer), re-application if necessary... 4. Complete dry out of wet areas... 5. Proper cleanup before we depart. We beat all competitors prices by hundreds!!! Give us a call for free estimates. 24/7 availability*****DEMO DONE RIGHT*****

Experienced demolitions crew at your service for complete gut jobs. We take it down to the studs!!! Minor/major demo for you at affordable rates. As few as 1 or as many laborers as you need to get the job done to your satisfaction. Respectful, honest, drug free, hard workers at your disposal. So, if you're in need of getting some things 'knocked out', literally, give us a call
