I'm a strong reliable hard working 26 year old man looking for some extra side work to fill up my evenings after my day job. There isn't much I can't do. Moving stuff, painting, cleaning, cutting grass, shoveling snow, cleaning gutters, etc. I also have worked for a plumbing company for 5 years with a journeyman license if there is any plumbing issues your having such as water heaters, sewer/septic problems, clogged drains, waterline leaks, etc. If there is something you need or just some help around the house give me a call at

!
