

Looking for Girl that would like to go to Kings Island with me (Kings Island)

Location

Kentucky

<https://www.genclassifieds.com/x-315146-z>

I am looking for a girl that enjoys going to kings island and that would like to go with me this season when it opens. Let me know how old you are and if you have any photos. We can either drive up to the park together or just meet there at the park. I would love to hear from!
