

DMX Lighting Help (Lakeville)

Location **Minnesota**
<https://www.genclassifieds.com/x-315185-z>

Looking for an experienced person to help me for about 2 hours set up controller, program lights. I also would like to see hands on how to program channels, and set unit up for the needs I have in the future. Never have used dmx.

Will compensate appropriate person an agreed amount for 2 or so hours of your time. Please be knowledgeable, and reasonable.

Chauvet obey 4, 10 and numerous par 38 lights.

Dave
