Hi,

We are looking for a caregiver who is trustworthy, reliable, with a loving spirit. My son is very sweet, fun, smart and easy going he's 5 years old and loves to engage in conversation. He attends school from 9-340pm but needs to be picked up from the bus stop and watched for a few hours after school, couple of week days. Every other Saturday and Sunday for 8 hours he will need childcare as well. This will be at least 3 or 4 days a week including the weekend on week one and 2 days on week two. Hopefully this makes sense. Contact me asap because I need services starting next week.

What will you need?

- Reliable transportation
- At least 3 or more years working with children.
- comfortable with pets
- Willing to travel 10 miles
- Semi open availability (this means every other weekend)
- Preferably 20 or older

For some this may sound like a lot but we may be able to work something out if we like you :)

Thanks so much!
