Are you an entertainer? Do you have big dreams? Do you take your craft seriously?  
 I am putting together a small group of talented, serious, positive individuals. The purpose of this group is for us to come together, vibe off of each other's talent and help each other work on our projects. It's free to join this group. I already have a few members. I have a model and a R&B male singer. We're a family. My name is Dallas Dollaz Video Director/Producer. Find me on Facebook. Friend me. I have a Web site coming in just a few day. I promote my family of entertainments on my site. All my models will shoot for free. I will help build your portfolio. I will produce music videos for my recording artists free. Only if you are serious. Reply with a few pics of yourself as well as any links where I can see your work. Ask me any questions. We are THE DOLLAZ.
