Bradington-Young top grain leather sofa and 3-way recliner for sale! Purchased in January 2014. Quality items like these rarely come up for sale on Craigslist, and if you know about top quality furniture, you know about Bradington-Young.

Some specs on the furniture:

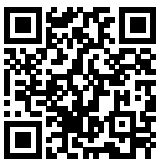

- 100% Semi-Aniline Top Grain leather
- Hardwood frame
- Modern Transitional Design with chrome nail-heads
- 8-way tied seating springs
- FULL leather sofa and chair meaning front, back and sides! This is not "leather match" "PU Leather" "Bonded Leather" "Recycled Leather" etc like found at Rooms-To-Go, Haverty's, or Ashley furniture.
- Retail price on the sofa is \$3,500.
- Retail price on the recliner is \$1,800

Price for BOTH pieces is \$2,800.

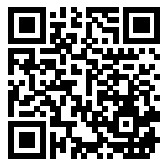

Research everything I just explained and you will realize this is an absolute steal for these pieces. This is the furniture that you keep for generations to be passed on as heirlooms.

Other retailers/manufacturers comparable are Zoallerie, Hooker Furniture, Seven Seas, American Factory Direct Furnitures, Restara Hardware, Bernhardt, Westbury Bar.

located in the Baton Rouge area in a SMOKE FREE.
