Rare opening immediately available! 24 mos and up. We have dedicated our whole lower level to childcare. We have a fenced in back yard. I am a Licensed Provider for the past 6 years and doing childcare for 7 years.

I provide healthy meals and snacks. We will do preschool materials 2-3 times a week that include colors, shapes, letters, numbers, sounds, crafts and much much more. I believe in the development of young minds and a parent's peace of mind. I will treat your child as if they were part of my family. We live in the Jefferson school area and have a bus that picks up and drops off in front of our house. I do offer before and after school care.

I am also CPR/SBS/SIDS and First Aid certified.  
Call me today for a meeting and rate quotes.  
1st weeks Tuition due at contract signing.
