We are looking for a nanny to start mid to late August for our (soon to be) 4 children. The hours would be approximately 11:30-5 Mon-Fri, though there is room for flexibility! Ages are 9, 7, 5, and infant. The oldest two will be in school until 3:30. We are open to a SAHM with one child! The right fit will be reliable, attachment-focused, emotionally responsive, fun, and respect our natural parenting. Please contact me with a little about yourself if you are interested in learning more about our family and needs. References.
