

Housekeeper and Gardening (North Shore)

Location **Hawaii**
<https://www.genclassifieds.com/x-315479-z>

We are looking for an experienced person to clean our house, grow and help maintain a organic vegetable garden and take care of tropical plants and do miscellaneous chores around the property as needed.

The job requires someone to come two to three times a week (M-W-F) for approx 4-6 hours each day. More hours may be available at a later date.

Prefer someone who lives on the North Shore and who has their own transportation or someone who lives up in Pupukea and is able to walk to work.

This job is for someone who is physically fit and enjoys working outdoors and being around animals and has a green thumb and does not mind getting their hands dirty.

Duties would include general cleaning of a 2BR house with a small guest house to include kitchen, bathrooms, and lanai, occasional window and screen cleaning and miscellaneous chores as needed.

Other duties include taking care of indoor and outdoor tropical plants and everything involved in growing and maintaining a organic vegetable garden grown in raised beds.

Some organic gardening and plant care and housekeeping experience required.

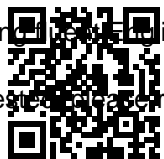

Must be drug free, cheerful & honest, detail oriented, dog friendly, dependable & reliable. All cleaning supplies and equipment is provided.

We will share fruits and vegetables grown on the property with you or provide a space for you to grow your own small garden.
