Looking for women to do an artistically nude and semi nude photo shoot in the bamboo forest / waterfall area closer to Hana. I would like to get a few woman together. This will be a fun shoot and although I can not pay you, I will give you access to all proofs and edited photos. This would be great for someone that is just starting to get into modeling. I have been a professional nature photographer for 10 years but now I would like to shoot natural women in nature. Please don't hesitate to contact me for more info. Mahalo for your time and hope the best for all of.
