I have a Marineland contour 5, which is a 5 gallon fish tank for sale. I used it for only a couple weeks before deciding to buy a bigger tank. It has a built in filter, pump, filter pad, daytime and night time LED lights (which look amazing), and a black plastic "stand" that it sits on. It is a glass tank and has a glass top. Very nice tank for small fish or bettas. Asking for \$25 obo, they are about \$60 in stores. Email, text or call, thanks for.
