I don't know why my last post was flagged.... but anyways.....
 We're rehoming a 4 month old male Maltipoo. He is very playful, unfortunately we don't have time for him, since both me and my husband work. He is very good with other dogs and loves kids. He is also a very good cuddle buddy. At this moment we're working on getting him potty trained, (which he is doing very good, so far) but like I said he needs someone to give him the attention. I am rehoming him for a fee of \$150 to ensure a good home. He will come with toy, leash and collar, and food. If interested please text me at 22four-7three0.
