Dear Families, Hi. I'm an educator. I have been working in the Early Childhood Field for 15 years. This includes working as a Teacher Assistant in a variety of settings. For the past 13 years I have been working as a Loving Caring Nurturing Nanny. I have worked with two different families. I have cared for newborn through preschool age. I have extensive experience and knowledge in working with infants and newborns. I have changed diapers, read books, provided a Loving Caring safe and Nurturing environment for your child. I enjoy the one on one attention that I can give a child, I enjoy going outside planning fun age appropriate activities and help them reach all stages of development - physical, cognitive, social and emotional development. I have a resume with lots of experience and letters of reference. I can be available in April 2015. Please, feel free to email me with any questions. I would love to learn more about the family and child. I look forward in learning more. Thank.
