\$3800obo. 1984 Chevy K10. Reinstalling the transmission here soon, had it rebuilt with an alto clutch kit (red clutch, black steel), transgo shift kit with reprogramming parts also, B and M stall converter (around 1800), TCI ratchet shifter on the floor, NP 203 T-case with twin stick Conversion. Manual lock out hubs, 33x12.5x15 inch tires on old America racing rims.
 Has a 350 small block very mild cam, aluminum intake and 305 heads, new distributor, and plugs and wires.

Any questions feel free to ask, not real interested in any trades.
