MidNight-Wave is looking for a Pianist that has a wide range in musical taste and that can play progressive heavy metal. We are looking for someone who is about 16-20 years of age due to the fact that we are all 18.

We play Progressive Heavy metal. We are looking for the Pianist to have a musical background and is willing to open up their musical horizons. Our musical influences include Dream Theater, Symphony-X, Nightwish, Opeth, Animals As Leaders, Angel Vivaldi, Tool, Red Hot Chili Peppers, Chevelle, Alter Bridge, Megadeth, Children of Bodom, Lamb of God, etc...

It would be preferred if the Pianist has a musical taste in these.
