

Honda Prelude CV Boots NEW (10 USD)

I have 2 new outer cv boot kits in the boxes that I wasn't able to use. They were ordered to fit an 89 Prelude, but may fit other Honda models. Hondas were real bad for cracking CV boots, and most of the time the axles get replaced. But, if your joints are not making noise yet, a boot kit is all you need. These are complete with the grease and the metal bands. Installation is also available if needed. \$10 each.

E-mail or call/text 921-0909. Thank!
