I have 2 60 x 29 rough dimension windows. One is a new one that has some shipping damage. It could be straightened and used. It is the style with the large fixed pane above, and 2 crank-out vents underneath. \$35 for that one.

The lasts one is a perfectly good used sliding window of the same dimensions if you are interested. I will sell it for \$50

These windows do not have clamp rings, but you can order them, or you can mount them directly with screws in the outside if you choose.

Call or e-mail. Thank!
