Needing room to run (Hancock county)

I have 2 pups that need a new home with more room to run. They are brothers and are 1 year old. Both are UTD. They don't like cats, as they had a cat attack them. Hickory and Trapper are Boston terrier and pug mixes. Hickory is the brown pup and Trapper is the black pup. Both are full grown. Asking a smaller homing fee to assure they go too good home. these guys have a lot of energy and need more room. Message or texts are best. Email works as well. Would do better in an adult only.
