We have a kitten that a tenant left behind. It's well cared for and has an appointment to be spayed on April 11th at Harvest Hills. If anyone is interested in the little girl for there forever home please email or text me. We already have a house full of pets. She's great with other cats, dogs and kids. No fleas. She's been outside some but we've tried to keep her in because she's still not spayed. No fee just a promise to take care of.
