Hi ive been doing multitrack recordings for over 20 yrs, im 59 now and want to start a band,been my dream since i was a kid, but father forced me to play trumpet,lol,rocking roll i do org recordings and like most bands of the 60s 70s 80 ive been told i have a good voice too, im in key and timing on..lol i have samples of my org music, , now i want to rock, u must be serious and play,i like the rolling stones, beatles. john lennon, carrs,fortunes,hollies,and other bands too,im ready, will need bass, lead guitar,optional keyboard, and drums to make this happen.if your young,or old, and want what i want, im ready to do this.contact me with your talent.hope to hear from serious only..no dreamers, must be true to the bone,and ready to fore fill your dream. IS THERE ANY ONE OUT THERE THAT WANTS TO MAKE THERE OWN PATH IN THE MUSIC WORLD? EVERYONE COPIES OTHER PEOPLES MUSIC.LETS CREATE OUR OWN SOUND!! have a small digital studio we can make an album together,so lets rock! (will need a place to jam) lets make our dream come true. can do FIRST& second vocals too.SERIOUS.
