Professional photographer wanting to add BBW to portfolio. If you are a female between 18 and 55 and weigh between 175 and 230 and would like to have some beautiful sensual and sexy photos I would like to hear from you. I have 2 studios in my home in Alton. I have professional equipment, lighting and props. I have been shooting for 6 years. I place no time limit on the shoot and no limit on number of photos taken. This will be a "tfcd" shoot, i.e. time for compact disc. The model will not be paying for her shoot or photos and the photographer will not pay the model for posing. This type of shoot would normally run approximately \$200. This could be an opportunity to have some sexy and sensual photos for your own use to look back on in years to come or photos for a significant other. You are free to bring a friend or relative as an escort. A CD of the completed and edited photos will be available within 24 hours of the shoot. Please submit your age and at least one photo in your reply for consideration.
