As title states.

Making some new clips and stills for online sales.

Looking for fit, female models interested in light bondage/damsel in distress fet.

No pain, no weird, extreme stuff. We do the fun, light hearted stuff. We have a professional studio, safe and comfortable. Portfolio on request.

This is a legit offer, not promising \$billions, and worldwide travel.

Willing to discuss one time payment upfront, or percentage of clips sold.

Let me know if you have any experience. Give us a description of body type, hair color ect.

Thanks for your consideration,
Stay safe out!
