I have a 13 week old pup looking for a new home. She is very sweet and playful and loves attention. All of her shots and dewormer have been taken care of. Please email me for more info and pictures. There is a rehoming fee...please keep in mind she has all of her vaccines and will not need any more until next year. She will also come with her crate and collar. I am willing to meet. She is looking for a family that has the time and love that she.
