

Ferrets for sale (Indianapolis)

Location **Indiana**
<https://www.genclassifieds.com/x-315834-z>

I have 3 ferrets for sale. 2 male and 1 female. All are updated on shots, the female is spayed.
They come with a cage, food, bedding, their toys, and a traveling cage.

Female:

- About 9 months old
- Albino
- Spazzy and Energetic
- She's entertaining to watch and play with
- * She is still a "baby", so she occasionally nips but she is growing out of it

Males (2):

- They come from the same breeder
- Both are friendly and cuddly
- One is white and black
- The other one is brown
- They love to steal and hide things

We would like to sell them for \$300, OR BEST OFFER
