I have an Associates Degree in Early Childhood Education. I worked as a classroom teacher at St. Timothy Daycare Center for children ages 3-6. While teaching I provide breakfast, lunch, and afternoon snack. I implemented daily lesson plans which promote small and large motor skills, the children also develop pretend play, social and emotional skills. I prepared monthly bulletin boards, practice circle time daily were children was taught their name, alphabets, and numbers. I enjoy working with children, looking for a position that will help me continue my growth and development with young children.
