I currently do not have a full-time job. I have at least 3 years in caregiving, I usually care for boys and girls for under the age of 7. The ages i have sat for has been between 1 months to 6 years of age. I do have a son and a daughter between the ages of 6 months to 2 years. I do have a cat and fishes. I do not speak any other languages, just english. No sweet unless the parent allows, no t.v. before bed unless the parent allows, sit down and reading books to the children. I just like sitting down and connecting with the kids and do their favorite activties. I went June 3, 2011 and got my fingerprints. I have the reciept to prove it.
