

I have for sale 2 Mission Style Rocking Chairs:

Origins - We have found no marking or paper stickers and is believed to be from J. M Young
Condition: Looks ot have been restored and has fine spring to the cushion.
Dimensions: Approximately 42" high, 27 1/2 " at arms, 24" at seat with 20" of depth.
Weight: Approximately 45 lbs
Asking \$1,450 or best offer.

Origins - We have found the number "29" on the inner rear of the chair and bought it at auction as a J. M Young Rocker. It looks to have been 29"8" or possibly 29"6" because there was one more number but it's faded.

Condition: Very good to near fine.

Dimensions: Approximately 32" high, 28 " at arms, 30 1/2" in lenght and the seat is 20" of depth by 20"

wide approx. 18" x 18" With the most accurate predictions from Queensland's rainfall Cherry Blossom -super soft and smooth- this is a 20' long mile marker 1 1/2" wide -the crimson red -interspersed with 1/2" tufts of the fine red tipped in jet black.)					
Asking \$650 or best offer.	(F)	http://www.fishbase.org/species/155	(F)	http://www.fishbase.org/species/155	(F)

The prices are based on pickup transactions and cash or bank check only. We must collect taxes on these prices as well. We pay/report all transactions. If you have questions, please ask - don't be vague or we will assume span. Can send more photos if you are interested. Thanks for looking at these lovely.
