1 About Us

HCR has served Maryland, Virginia, and Washington DC homeowners since 1990. We have made thousands of homeowners happy through the years with three simple rules for running our business:

- 1. Hire Great People -- From management, to our sales team, to each installer, we hire experienced team members that share our passion and dedication to providing superior service and craftsmanship. Our management team even provides their personal phone numbers for availability during an emergency, or outside of office hours.
- 2. Choose the Best Products -- Working with only the very quality materials makes a huge difference. You are happier, our work lasts many years longer, and frankly our job is easier because our manufacturers stand behind their product just as we stand behind our work installing it.
- 3. When There Is a Problem, Make it Right! -- We offer the strongest warranties in the business. We've been in business since 1990 -- we will be here tomorrow and ten years from now. Our business grows only through satisfied customers.

We consistently earn recognition for our level of service and elite contractor status with our key manufacturer partners. Our Xtreme line of windows, produced exclusively for HCR, are the only windows that have earned the Good Housekeeping Seal. We are also very proud to be an Angie's List Super Service provider and among the top 3% or roofers in North America with GAF
